Hello folks,

The best quorum is for September 18, 2-3pm. Please block out that time on your calendars? I will forward a call-in number for the conference call and a tentative agenda.

In general, we want to understand your thoughts or efforts in addressing the contingency measure issue, as well as, any issues or problems you may be having. If you have questions or experiences that might be of interest to the larger group, then please forward a quick summation and I can try to build that into the agenda.

Thanks,  
Jerry
